***Subject to VAT**

TalentLens Platform

We can provide you with access to your own TalentLens platform account through which you can administer our instruments online. Aside from an initial minimum order of 10 units, there is not a set-up fee or annual license to pay.

You would also need to open an invoicing account with Pearson. Any online tests you purchase are valid for 12 months. Future orders can be of any value.

Bureau Services

For customers who are not qualified but wish to use our products we offer a **Full** bureau service. This includes administration and feedback on your chosen instrument. The questionnaire will be sent electronically to the candidates. Following completion one of our Consultants will provide appropriate feedback by telephone and discuss the report. We recommend that you consider undertaking the BPS Test User Training courses – they pay for themselves....

Pricing

Please note all prices are per candidate and do not include the cost of the questionnaire or VAT. If you have a large number of candidates please email info@talentlens.co.uk to discuss your options

Full – ISBN: 9780150004745

Ability (e.g.. Watson-Glaser Critical Thinking Appraisal) - £40.00*

Personality (e.g.. Golden Personality Type Profiler) - £150.00*

Ordering

Please email info@talentlens.co.uk with your registration details, the instrument you would like to use and the email addresses of all candidates. If you would like to use an ability test, please specify the norm group. Any extra information, such as deadline for the candidates to complete the questionnaires should be provided at this point.

A member of the TalentLens team will then contact you to take payment before sending the questionnaire and administration instructions to the candidates via email. Reports will be emailed to you upon completion of a questionnaire.

Full

Please email info@talentlens.co.uk with your registration details, the instrument you would like to use and the email addresses of all candidates. If you would like to use an ability test, please specify the norm group. Any extra information, such as deadline for the candidates to complete the questionnaires should be provided at this point.

A member of the TalentLens team will then contact you to take payment before sending the questionnaire and administration instructions to the candidates via email. We will also arrange with you a mutually convenient time for our Consultant to provide feedback over the

telephone. The length of the feedback session will depend on the instrument and the number of candidates. Following the feedback session the reports will be sent to you electronically.
